

# Lawyers' Fund for Client Protection

## *2014 Annual Report*

The Maine Lawyers' Fund for Client Protection (Fund) was created by an Order of the Maine Supreme Judicial Court, dated July 1, 1997. The purpose of the Fund is to promote public confidence in the administration of justice and the integrity of the legal profession, by reimbursing clients who suffer losses caused by an attorney's dishonest conduct. The Fund was not designed to address losses caused by professional malpractice and no amounts are payable to clients for such activity.

### **TRUSTEES**

The Fund is administered by a Board of seven trustees, appointed by the Maine Supreme Judicial Court. The trustees determine the eligibility of claims filed with the Fund and manage the Fund's assets. Trustees are appointed to three year terms and may serve no more than two consecutive terms. Trustees are volunteers and serve without compensation but are reimbursed for their actual and necessary expenses incurred in the discharge of their duties. The trustees for the calendar year 2014 were:

#### **OFFICERS**

Paul H. Sighinolfi, Esq., Chair  
Raymond J. Cota, Treasurer  
Martha C. Gaythwaite, Esq., Secretary

#### **TRUSTEES**

Meris J. Bickford, Esq.  
Jared S. des Rosiers, Esq.  
Jeffrey W. Porter  
Honorable Warren M. Silver, Court Liaison

### **STAFF**

The Fund retains the Board of Overseers of the Bar for its administrative, financial, and case investigation functions.

### **CLAIM INTAKE AND EVALUATION**

A claimant seeking reimbursement from the Fund must complete a claim form. Upon receipt, the office of Bar Counsel of the Board of Overseers of the Bar investigates the alleged loss, prepares a record, and submits a report with recommendation to the trustees. The claimant has the duty to supply relevant evidence to support the claim.

### **TRUSTEE REVIEW**

When the report and recommendations are complete, the trustees act on the claim. The approval or denial of a claim requires the affirmative votes of at least four trustees. Notice of the decision is given to the claimant and the lawyer. Reimbursement from the Fund is a matter of grace. No person has the right to reimbursement from the Fund whether as claimant, third-party beneficiary or otherwise. The decisions and actions of the Fund trustees are not reviewable on any ground in any court or other tribunal.

## CLAIMS RECEIVED AND PROCESSED

In 2014, 37 new claims for reimbursement were received by the Fund. The trustees held three meetings over the course of the year and considered 25 claims involving nine attorneys. Of those, nine claims were approved for reimbursement, four claims were found to be ineligible for reimbursement, and twelve claims were withdrawn as a result of settlement. At the close of the calendar year, seventeen claims remained pending.

## CONCLUSION

This report confirms the fact that the overwhelming majority of Maine attorneys observe the high standards of integrity when entrusted with client monies or property. However, the dishonest acts of a few can affect the public's image and confidence in the legal profession as a whole. The Lawyer's Fund for Client Protection endeavors to restore public confidence in the legal profession by reimbursing clients for losses sustained as a result of the dishonest conduct of their attorneys.
